

CURRICULUM VITAE

Name: Robert A. Kaufmann, M.D.

Address: Fort Worth Fertility, PA
800 West 5th Avenue, Suite 210
Fort Worth, Texas 76104
817-348-8145 - telephone
817-348-8264 – fax

Present Affiliation: Baylor All Saints Fort Worth – Andrews Women’s Center
Harris Methodist Fort Worth Hospital
Presbyterian Hospital of Dallas

Academic Affiliations:

1988-1990 Clinical Instructor Wayne State University/Hutzel Hospital, Detroit,
Michigan, Department of Obstetrics and Gynecology

1990-1992 Assistant Professor Eastern Virginia Medical School/Jones Institute for
Reproductive Medicine, Norfolk, Virginia, Department of
Obstetrics and Gynecology

1999-2004 Assistant Professor Medical University of South Carolina, Charleston, South
Carolina, Department of Obstetrics and Gynecology,
Division Head, Reproductive Endocrinology

EMPLOYMENT HISTORY

1990-1992 Eastern Virginia Medical School/Jones Institute for Reproductive Medicine, Norfolk, Virginia
1992-1999 Augusta Reproductive Biology Associates, Augusta, GA, Private Practice, Reproductive
Endocrinology

1999-2004 Southeastern Fertility Center, Charleston, SC, Private Practice, Reproductive Endocrinology
1999-2004 Medical University of South Carolina, Charleston, South Carolina, Director, Division of
Reproductive Endocrinology and Infertility

EDUCATION:

1975 - 1979 BA Susquehanna University, Selinsgrove, Pennsylvania Major: Biology

1979 - 1980 Graduate Studies Columbia University, New York, New York Biochemistry

1980 - 1984 MD Sackler School of Medicine/New York State program, Tel Aviv University,
Ramat Aviv, Israel

Post Doctoral:

1984 - 1985 Internship Department of Obstetrics and Gynecology, Wayne State University/Hutzel
Hospital, Detroit, Michigan

1985 - 1987 Residency Department of Obstetrics and Gynecology, Wayne State University/Hutzel
Hospital, Detroit, Michigan

- 1987 - 1988 *Chief Resident*, Department of Obstetrics and Gynecology, Wayne State University/Hutzel Hospital, Detroit, Michigan
- 1988 - 1990 *Fellowship*, Reproductive Endocrinology and Infertility, Department of Obstetrics and Gynecology, Wayne Sate University/Hutzel Hospital, Detroit, Michigan, Mentor-Dr. Kamaran S. Moghissi
- 1990 - 1992 *Post Doctoral Research Fellow*, ACOG-NIH Reproductive Scientist Trainee, Eastern Virginia Medical College, The Jones Institute for Reproductive Medicine, Norfolk, Virginia, Mentor-Dr. Gary D. Hodgen

BOARD CERTIFICATION

- 1993 American College of Obstetrics and Gynecology, Fellow
 1995 Certification for Reproductive Endocrinology and Infertility

LICENSURE	New York	License No. 160058-1	1984	expired
	Michigan	License No. 48862	1985	expired
	Virginia	License No. 45255	1990	expired
	Georgia	License No. 035669	1992 -	expired
	South Carolina	License No. 20841	1999 -	expired
	Texas	License No. M0125	2004 -	present

AWARDS, HONORS, MEMBERSHIP IN HONORARY SOCIETIES:

Awards:

- 1987 & 1989 Outstanding Resident in Gynecological Endoscopy, American Association of Gynecologic Laparoscopists
- 1987 Chairman's Award for High Potential and Overall Residency Excellence and performance, Wayne State University Affiliated Hospital Residency Program, 1987
- 1989 First place Award, Outstanding Research paper, Annual Scientific Day, Department of Obstetrics and Gynecology, Wayne State University School of Medicine
- 1990 ACOG-NIH Reproductive Scientist Training program (RSTP) Awardee, Preimplantation Genetic Analysis of Tay-Sachs
- 1990 ACOG-ORTHO Academic Training Fellowship, Preimplantation Genetic Analysis of Tay-Sachs (declined since accepted RSTP award)
- 1990 Prize Poster Award: Keenan JA, Kaufmann RA, Jones GR, Rousseau MF, Moghissi KS. Luteal phase support with human chorionic gonadotropin does not improve fecundity rate in human menopausal gonadotropin stimulated cycles. American Fertility Society, 46th Annual Meeting
- 1991 Prize Poster Award: Kaufmann RA, Takeuchi K, Morsy M, Beebe S, Hodgen GD. PCR amplification for the sex-determining region of the Y-chromosome from single-cells in the mouse and human. American Fertility Society, 47th Annual Meeting

Honors:

Beta Beta Beta Honor Society
Alpha Lamda Delta Honor Society
University Scholar, Susquehanna University
Magna Cum Laude, Susquehanna University
1987 Executive Chief Resident, Wayne State University Affiliated Hospital Residency Program
Top Doctor Fort Worth Magazine 2005-2009
Best Doctors in America® from 2003 to 2008
2006 America's Top Obstetricians and Gynecologists

COMMITTEES:

1988 Chairman, District V Michigan Section American College of Obstetricians and Gynecologists
(Junior Fellows)
1994 - 1998 Member, Medical Records Committee, University Hospital, Augusta, Georgia
2005-present Member, Harris Methodist Ethics Committee
2005-present Member, Tarrant County Medical Society Grievance Committee

PROFESSIONAL SOCIETIES:

1984-Present American College of Obstetricians and Gynecologists
1986-Present American Society for Reproductive Medicine
1987-Present American Association of Gynecologic Laparoscopists
1988-Present American Medical Association
1990-Present Society of Reproductive Endocrinologists
1990-Present Society for the Study of Reproduction
2004-Present Texas Medical Association
2004-Present Texas IVF Society
2004-Present Fort Worth Obstetrics and Gynecology Society- Vice President 2005-present
2004-Present Tarrant County Medical Society

EDITORIAL POSITIONS:

1990-Present Ad hoc reviewer: Fertility and Sterility

BOARDS:

Trustee- Bedford Research Foundation, Boston, MA 2000 present

GRANTS:

1988	ERGOT	\$3351	Department of Obstetrics and Gynecology, Wayne State University School of Medicine: Effects of Cocaine on Human Granulosa Cells <i>In-Vitro</i>
1988	ERGOT	\$6992	Department of Obstetrics and Gynecology, Wayne State University School of Medicine: Cocaine and Reproduction: Effects on the Microenvironment of the Follicle in Rabbits
1989	Small Research Grant	\$600	Wayne State University: Prenatal Diagnosis of Lysosomal Storage Disorders in the First Trimester Using Maternal Serum
1989	ERGOT	\$2592	Department of Obstetrics and Gynecology, Wayne State University School of

			medicine: Effect of Cocaine on the Ovulatory Reflex in the Rabbit
1989	FMRE, RFLP	\$3485	Wayne State University: A defect in type I collagen: Prenatal Diagnosis of Osteogenesis Imperfecta
1990	Small Research Grant	\$600	Wayne State University: The Effect of Cocaine on <u>in vitro</u> fertilization in the Mouse
1990/ 1992	ACOG-NIH	\$143,000	Reproductive Scientist Training Program, Preimplantation Genetic Analysis of Tay-Sachs
1990	ACOG-ORTHO	\$25,000	Academic Training Fellowship, Preimplantation Genetic Analysis of Tay-Sachs
